

What's Next After School?

If you are a year 12 school student with a disability and are wondering what your next step after school will be, ON-Q School Leaver Employment Support (SLES) can assist.

SLES with ON-Q offers individualised support for up to 2 years after finishing Year 12 to help you transition from school and achieve your goals – whether that be help to find work, into further study, or general life skills.

WHAT SUPPORT IS ON OFFER?

Support is tailored to meet your employment goals and to develop your skills for independence. We offer a mix of group and individual support activities as well as opportunities to participate in work experience as you progress on your journey towards paid employment.
